

**step 1:** Enter the twilio.com in google then after click on signup

**step 2:** Fill all these details once we do that verify the email and phone number

A screenshot of the Twilio website's sign-up page. The page has a purple and blue gradient background with faint icons of a cassette tape, a smartphone, and a document. At the top, the Twilio logo is centered. Below it, the text "Get started with a free Twilio account. No credit card required." is displayed. On the left, a white box titled "WITH TWILIO YOU CAN BUILD:" lists six features with green checkmarks: SMS marketing, Omnichannel contact center, Call tracking, Web chat, Push notifications, Alerts and notifications, and Phone verification. On the right, a white form contains input fields for "First Name \*", "Last Name \*", "Email \*", and "Password (16+ Characters) \*". Below these fields is a checkbox labeled "I accept the [Twilio Terms of Service](#) and have read the [Twilio Privacy Notice](#). If I am a micro- or small enterprise or a not-for-profit organization in the EEA or UK, I agree to the [European Electronic Communications Code Rights Waiver](#)." At the bottom of the form is a red button that says "Start your free trial".

**step 3:** Once we signup, we will get this page here we fill all the details about the project

The screenshot shows the Twilio console onboarding page. The browser address bar shows 'twilio.com/console/ahoy'. The Twilio logo is in the top left, and navigation links for 'CONSOLE', 'DOCS', and the user name 'Rimmalapudi' are in the top right. The main heading is 'Ahoy Rimmalapudi Rajesh, welcome to Twilio!'. Below this is a sub-header: 'Tell us a bit about yourself so we can personalize your experience. You will have access to all Twilio products.' The form contains several sections: 1. 'Which Twilio product are you here to use?' with a text input containing 'WhatsApp'. 2. 'What do you plan to build with Twilio?' with a dropdown menu showing 'IVR & Bots'. 3. 'How do you want to build with Twilio?' with three radio button options: 'With code' (selected), 'With minimal code', and 'With no code at all'. 4. 'What is your preferred coding language?' with a dropdown menu showing 'Python'. 5. 'Would you like Twilio to host your code?' with two radio button options: 'Yes, host my code on Twilio' and 'No, I want to use my own hosting service' (selected). At the bottom, it says 'Your billing country is India. Change' and a large blue button labeled 'Get Started with Twilio'.
